### Declaration and Decision

The Panel understands STL's policy on the recruitment of applicants with criminal convictions and has recognised this in its deliberations. On consideration of the risk assessment form, interview with the applicant (and other parties) and a relevant report, the Panel believes that the applicant:

- should not be enrolled
- should be enrolled without any conditions
- should be enrolled with conditions

State the Conditions: (Attendance target, regular report from Probation/Young Offender Services, etc.)
